

SOCIOLOGY 105: SOCIAL PROBLEMS & ISSUES

Final Reflection Paper Guidelines

Papers should be:

- Typed (in essay format)
- Double-spaced
- Numbered (page numbers), and
- Between two and three pages in length.

Please answer the following in your reflection paper:

- 1) What does this research topic mean to you personally? In other words, why is it of interest to you and/or the group?
- 2) What strengths came out of this research project?
- 3) What challenges came out of this research project?
- 4) Would you have done anything differently to improve it next time? If so, what would you have done?
- 5) What roles and/or responsibilities did you and each of the members in your group have in completing the research project? How would you evaluate your individual AND overall group contributions?
- 6) What have you learned overall from participating in this research project and/or this class?
